

Call for volunteer members We need YOU!

Are you aware that the Club has dedicated volunteer members looking after and supporting the interests of Club members throughout the UK?

These are the Club's Divisions and Regions - there are currently 7 Regions covering England, plus Scottish, Welsh and Irish Divisions. The Chair of each of these groups participates on Club Council, the consultative body of members to the Executive Committee.

All Regions will become Divisions later this year. The new Divisional Council will be made up of 5 elected roles - Chair, Deputy Chair, Administrator, Treasurer, and Digital Champion, plus 1 representative from each Centre and up to 6 Member Representatives (Not members of a Centre).

The Council is made up of members who are interested in being involved and playing their part in the Club. Meetings are up to four times a year, either virtually or as a hybrid meeting for those not able to travel; if you can travel, costs are reimbursed.

Issues / questions are raised via Centre and Member Representatives and then resolved at a divisional level. However, we sometimes have to seek advice from East Grinstead, but this means that every member of the Club can use a Divisional Council to access all levels of the Club management structure.

Where do you come in?

The five roles are elected each year at the AGM - (12 October 2024) - and we are looking for volunteers to take on these roles. In addition, we also have vacancies for Members Representatives.

If you're interested and want to learn more, please contact:
