

Call for volunteer members

We need YOU!

Are you aware that the Club has dedicated volunteer members looking after and supporting the interests of Club members throughout the UK?

These are the Club's Divisions and Regions - there are 7 Regions covering England, plus a Scottish, Welsh and Irish Division. The Chair of each of these groups participates on Club Council, the consultative body of members to the Executive Committee.

Divisions and Regions have their own councils; members who are interested in being involved and playing their part in the Club. Meetings are up to four times a year, either virtually or as a hybrid meeting for those not able to travel; if you can travel, costs are reimbursed.

A Regional Council is made up of 4 Officers - Chairman, Vice-Chairman, Secretary and Treasurer, plus 2 representatives from each Centre, up to 3 Independent members (Not members of a Centre) and

Issues / questions are raised through the Centre Reps and Independent Members of the Council which can then be resolved at a regional level. However, it is sometimes necessary to seek advice from East Grinstead, but this means that every member of the Club can use a Regional Council to access all levels of the Club management structure.

Where do you come in?

The four Officer roles in the region are elected each year at the AGM - (12 October 2024) - and we are looking for volunteers to take on these roles. In addition, we also have 2 vacancies for Independent members.

If you're interested and want to learn more, please contact:

Chairman: Dave Rickard
