## KOP HILL CLIMB EVENT

The Kop Hill Climb is a hill climb in Princes Risborough, Buckinghamshire. The climb was originally established in 1910 but due to a minor accident involving a spectator on the public road that formed the hill climb, the last competitive event was held on 28 March 1925.

Kop Hill entrants come in three invited categories. Veteran and Vintage from 1900 to the 1930's and Post-War era vehicles which runs up to 1978. Since 1910 Kop Hill has seen the complete alphabet of cars on the hill. Some roaring, some cruising and some pattering to the top.

There is so much more than just the cars with hot food, a stage with entertainment, beer tent, charity stands, and items for sale. All in all a great weekend

And finally more modern cars that are either crowd pleasing, rare or significant and in many cases all three.

This temporary site is organised by the Buckinghamshire Centre and is within walking distance of Kop Hill. Please note there are no toilet blocks or electric hook-up available.
