3.	<p>Update to Centre Rules:</p> <ul style="list-style-type: none"> The requirement for Members to be registered with a Centre 35 days before Centre AGM had been removed. Centres will be able to check the up-to-date nominal rolls to confirm membership at the time of the AGM. Online AGMs were now an option, but contact details of family or joint members were not provided on membership lists. Applications to join on line would need to close 3 days before AGM. Quorum attending the actual AGM still remains. Centre Rules now stipulated that Centres should participate in Divisional team meetings. 																												
4.	<p>Club Update:</p> <ul style="list-style-type: none"> Site bookings - The reduction in the deposit to £5 seemed to have encouraged more forward bookings with a significant upturn in bookings for 2025. Offers were making CAMC more competitive. The NEC show: This went well, attracting over 500 new members. Visitor numbers were apparently up on last year although it did not feel like it on the ground on some days. Dealers and manufacturers reported reasonable sales mainly on either lower price entry level models or high end pricier models - the middle ground was less successful. 																												
5.	<p>Next Division Meeting:</p> <p>The next meeting would take place on Wednesday 26 February 2025 at 7:30pm via Zoom.</p>
